

## Appendix – Errata

### Section 3, Energy Market

**Change:** On page 148, update paragraph as follows:

Table 3-38 shows the average number of units that made hourly differentiated offers in the day-ahead market or rebid period. In March 2018, an average of ~~227~~ **227** ~~180~~ units made hourly differentiated offers. This is an increase of ~~5.4~~ **5.4** ~~seven~~ percent from the average number of units that made hourly differentiated offers in December 2017.

**Change:** On page 149, update Table 3-38 as shown below:

**Table 3-38 Average number of units with hourly differentiated offers by month: 2017 and 2018**
